

Chicago Sailing offers a number of corporate events specifically designed to reward, entertain and inspire your special group. With an emphasis on fun, our sailing programs stand out as effective and memorable experiences. Because our sailing programs require no prior experience or physical prowess, your entire group will have the opportunity to participate and enjoy equally.

SAIL N Belmont Harbor, B Dock, Chicago, IL 60657
MAIL 2712 N Campbell, Chicago, IL 60647

This year try something more *refreshing* with Chicago Sailing. ✨

Sailing along the city's waterfront is the perfect way to entertain, build team spirit and reward those who contribute to your success. Think about what it will mean to your clients, your staff and to you to host a fun and memorable event.

Client Entertainment & Recreational Outings

Meeting with clients in a relaxed environment is an effective way to build relationships, improve communication and increase sales. And what better way to impress your clients than a sailing cruise along Chicago's lakefront aboard a professionally captained sail yacht? Chicago Sailing will create a truly memorable event that is a credit to your creativity and good taste.

Recreational Outings are ideal for organizations looking to provide a unique and remarkable experience for large groups. Participants are welcome to join in the handling of the yacht or simply sit back and enjoy the sensory indulgence that is sailing. Your captain is there to make this a special event for all.

Client Entertainment and Recreational Outings for groups as large as 125 participants start at \$125 per person for four hours of adventure, exclusive of food and premium beverages. Call for details and exact pricing.

Nothing could be easier than an event with Chicago Sailing. We take care of all of the details and see to it that your group is treated to an elegant excursion.

CATERING

Relax. We'll take care of everything! Chicago Sailing is happy to arrange catering to make your day completely hassle free.

Whether you wish to go casual or have a feast, we have a delicious menu selection available with price ranges to suit everyone's needs.

From handy picnic baskets and gourmet sandwiches, to our sumptuous seafarers luncheons, dinners and barbecues, we aim to please. We can arrange for your favorite beverages to be delivered from our local cellars, placed aboard your vessel and iced down. *Chicago Sailing makes it easy for you. Just climb aboard.*

This event brought the whole team together...we are glad we did it!

Jennifer Roman, BMW North America

Corporate Team Building through Competition

Chicago Sailing's programs incorporate a hands-on approach to situational training experiences. All participants learn the same successful team skills that apply to their professional working environments; change management, transformational leadership and effective communications. Results are immediate and profound as each new concept is reinforced in ever-changing conditions.

Our skilled instructors guide competing teams through a series of challenges that demonstrate how communication, teamwork and forethought lead to goal attainment. With each maneuver, teams come to realize the importance of teamwork until that concept becomes a forged habit. When conducted in the framework of fun, these skills are embraced quickly and retained forever.

No sailing experience is necessary. Chicago Sailing's coaching staff and on-board trainers are experts at making sailors out of everyone. By the end of the event, your entire group will be thinking about challenging for the America's Cup.

Half-day Team Events start at \$140 per person; Full-day Team Events start at \$250 per person

I thought it was a great value...I have recommended this to other groups. *Alice Livers, JP Morgan Chase*

CORPORATE SAIL ADVERTISING

Imagine the impact of your company's logo on the sails of our boats as they cruise Chicago's bustling waterfront. Call for details on this uniquely effective form of visual marketing that connects your message with the aura of adventure and success.
